

DOUGLAS COUNTY 2018 GOP CONVENTION RESOLUTIONS

RESOLUTION TO SUPPORT CONSTRUCTION OF A BORDER WALL

---

WHEREAS, the United States/Mexico border is a vast and lengthy avenue into the United States which is exploited by narcotics smugglers, human traffickers, illegal aliens and terrorists.

WHEREAS, it should be of paramount importance that US citizens are protected from the criminal elements that enter the US by crossing the border.

WHEREAS, the United States Government and the President have a constitutional duty to protect the sovereignty of the nation by enforcing its borders.

BE IT RESOLVED THAT the Douglas County Republicans support the immediate construction of an impassable physical barrier, structure, or wall along the entire border with the exception of those areas where the physical geography of the terrain provides an impassable obstacle to crossing.

Approved by majority vote of the Douglas County Republican Party Convention on April 28, 2018.
